

hooker & holcombe

## Ronald O. Schlee, FSA, MAAA

Vice President, Consulting Actuary

### **Experience**

Ron specializes in providing a broad range of consulting services to Hooker & Holcombe clients. His responsibilities include review and communication of actuarial valuation results, analysis of plans' funding position, consultation and costing for labor negotiations, and problem-solving for retirement plan issues. He also assists clients with early retirement windows, cost estimates and retirement adequacy studies. His responsibilities also include management of the firm's professional and technical staff who provide consulting, actuarial and administrative services. With over 35 years of actuarial experience in both the corporate and public sectors, Ron delivers expert advice and strategic direction to our clients.

Prior to joining the firm in 1982, Ron worked for State Mutual Life Assurance Company in their Individual Policy Pension Trust area and at the actuarial firm Charles G. Bentzin Associates in Phoenix, Arizona.

### **Education**

Ron is a graduate of Lebanon Valley College with a Bachelor of Science in Actuarial Science.

### **Professional Affiliations**

Ron is an enrolled actuary and holds several designations including fellow of the Society of Actuaries (FSA) and member of the American Academy of Actuaries (MAAA).
