

hooker & holcombe

Steve A. Lemanski, FSA, FCA, MAAA

Consulting Actuary

Experience

Steve is a consulting actuary with Hooker & Holcombe. He is responsible for a wide range of projects including consulting on qualified and nonqualified defined benefit and postretirement welfare plans, performing pension valuations, benefit calculations, cost estimates and reporting for FASB and GASB. He is also involved in plan studies and design work.

Steve has 27 years of experience providing actuarial consulting services to diverse clients, including municipalities, multiemployer pension funds, and Fortune 500 companies. His expertise covers valuations of defined benefit and other postretirement benefits plans, plan design, benefit certifications, experience studies, general administration of qualified plans, and consulting on a number of compliance related issues.

Prior to joining the firm, Steve was with Milliman serving most recently as principal and consulting actuary, where he was the lead actuary for a number of municipalities throughout Connecticut, Rhode Island and Massachusetts.

Education

Steve graduated summa cum laude from Drew University with a bachelor's degree in applied mathematics and economics.

Professional Affiliations

Steve is an Enrolled Actuary and holds a number of professional designations including, Fellow of the Society of Actuaries (FSA), Fellow of the Conference of Consulting Actuaries (FCA), and Member of the American Academy of Actuaries (MAAA). Steve is a board member for the Connecticut Public Pension Forum and is chairperson of the EA-1 Actuarial Examination Committee.
