

hooker & holcombe

Timothy A. Ryor, FSPA, FCA, MAAA

Senior Vice President, Consulting Actuary

Experience

Tim has over 20 years of experience in pension consulting, including qualified and non-qualified defined contribution plans for both corporate and public sector clients. He is responsible for pension valuation work, nondiscrimination testing, FASB and GASB reporting, and plan design.

Prior to joining the firm, Tim was associated with The Heintzberger Company in Portland, Oregon where he led the actuarial unit and advised on the development of continuing education programs. Prior to this time, Tim was employed by Independent Actuaries, Inc. and William M. Mercer, Inc.

Education

Tim earned a Bachelor of Science in Mathematics with honors from the University of New Mexico.

Professional Affiliations

As a leader in the pension community, Tim is a former member of the Pension Committee of the Actuarial Standards Board which is responsible for drafting the professional standards of practice applicable to pension actuaries. He is a member of the US Government Finance Officers Association and the CT Government Finance Officers Association. His qualifications include fellow status with both the Conference of Consulting Actuaries and the American Society of Pension Professionals & Actuaries. He is currently a member of the American Academy of Actuaries (MAAA).
