Ellen Kucenski, FSA, MAAA

Practice Leader

Actuarial Services

Ellen is responsible for overseeing a team of actuarial professionals who manage the day-to-day operations of the firm's pension and other post-employment benefits (OPEB) plans. In addition to her practice leader role, she consults with clients on a wide range of projects, including qualified & nonqualified defined benefit plans and postretirement welfare plans. Her clients include both corporate and public sector clients. She performs pension valuations, benefit calculations, cost estimates and reporting for FASB and GASB. She is also involved with plan studies and design work.

Ellen joined the firm in 2002 and has a broad background in all aspects of actuarial issues including complex testing required by the nondiscrimination rules for pension plans. She has worked with multiple clients to produce deterministic forecasts and cash flow projections. Ellen's exceptional communication skills allow her to deliver effective and pro-active consulting to her clients.

Ellen earned a Bachelor of Arts in Mathematics from Boston College.

She is an Enrolled Actuary, a Fellow of the Society of Actuaries (FSA) and a member of the American Academy of Actuaries (MAAA).
