

hooker & holcombe

## Robert P. Lessard, ASA, FCA, MAAA

Reviewing Actuary  
Actuarial Services Group

Rob has been in the actuarial consulting industry since 2000 and has an extensive background with both pension and post-retirement benefits plans. He specializes in valuation, disclosure and plan design work for many public sector clients located in Connecticut, Rhode Island and Vermont.

Rob has significant modeling and forecasting experience. In addition, he has worked on non-standard actuarial projects, such as experience studies and early retirement windows. He is responsible for companywide training and implementation of ProVal actuarial software.

Prior to joining Hooker & Holcombe, Rob was with Buck Consultants, where he worked on public sector plans in Massachusetts, Rhode Island and Vermont.

Rob earned his Bachelor of Arts in Mathematics, with honors, from Providence College. He is an Enrolled Actuary and holds a number of professional designations including Associate of the Society of Actuaries (ASA), Fellow of the Conference of Actuaries (FCA) and Member of the American Academy of Actuaries (MAAA).
