H&H Provides Highlights on How the American Rescue Plan Act Impacts Single-Employer Plans

On Thursday March 11, the President signed the American Rescue Plan Act of 2021, a \$1.9 trillion stimulus package that included several provisions that impact the funding of single-employer defined benefit plans. [Read more>](#)

Missing Participants - Best Practices for Pension Plans

Employees work hard and make sacrifices to earn and save for retirement. Sometimes, though, retirement plan participants don't apply for their pension benefits at retirement time because they don't know their pension is available or understand the consequences of failing to respond to plan communications. [Read more>](#)
