Marc R. Condon, FSA, MAAA

Pension Administration Consultant

Actuarial Services Group

As Pension Administration Consultant for the firm's Actuarial Services Group, Marc is responsible for delivering Pension administration solutions to retirement plan sponsors at non-profit organizations, corporations, and municipalities located throughout the Northeast. In this role, Marc and his team ensure seamless participant data management, online benefit calculations and retirement payment processing through the PensionEdge® Plus web-based portal.

Marc has been in the retirement industry since 1991 and has provided a variety of services to sponsors of Defined Benefit plans, including performing funding and accounting valuations, as well as providing actuarial consulting on plan design, cost projections, benefit certifications and experience studies. Additionally, he has expertise in pension plan administration, plan terminations and retirement outsourcing.

Prior to joining the firm, Marc was with MassMutual for over 16 years, where he served as assistant vice president and actuary. He held various roles of increasing responsibility, including pricing, consulting and management roles for their Defined Benefit and Pension Risk Transfer units.

Marc graduated from the University of Connecticut with a bachelor's degree in mathematics and actuarial science. He is an Enrolled Actuary and has earned the Fellow of the Society of Actuaries (FSA) and Member of the American Academy of Actuaries (MAAA) professional designations.
